## Reserve Park Shelters Online

Many of Longmont's parks provide shelter structures that offer an excellent place to host gatherings or special events. Shelter reservations are accepted anytime for events taking place in the months of April through October. If your event takes place in late fall or winter, no reservation or payment is necessary as the park restrooms are closed and usage is on a first come, first serve basis. Not all park shelters are available for online reservations.

There are three ways for you to check shelter availability and to reserve a shelter:

- online: [LongmontColorado.gov/park-shelters](http://LongmontColorado.gov/park-shelters)
- telephone: (303) 651-8404
- in person: St Vrain Memorial Building, 700 Longs Peak Ave

Cost is \$35/day for most shelters; large Sandstone Shelter and Roosevelt Pavilion are \$25/hour or \$200/day.

Please be aware that special permits are required if you are holding a large event, charging admission, or serving or selling alcohol.

Cancellations with two weeks of notice or less are subject to loss of deposit and/or loss of a percentage of fees paid. Most shelters do not require a deposit.
